United against Corona – Mobile vaccination teams in Leipzig

Vaccination without appointment directly in your district

The City of Leipzig, the German Red Cross (DRK) and the Leipzig/Engelsdorf Municipal Enterprise (KEE) are conducting a joint project to make it easier for people in various Leipzig districts to receive the Corona vaccination.

Come visit us! Get vaccinated from 22 July 2021. Protect yourself, your family and those around you from the consequences of a Covid-19 infection.

To find out the exact locations and vaccination times, see www.impfung-leipzig.de.

What should you bring to your vaccination?

- Personal document (identity card, passport, ID card)
- Health insurance card
- Vaccination record
- Other important documents such as a “Herzpass” (personal emergency information booklet for heart patients), a diabetic card or a list of medications

Only if available:

- Completed medical history and consent form for vaccination against COVID-19
- Information sheet about vaccination against COVID-19

You can find the vaccination information sheet and the medical history form in various languages on the Internet on website of the Robert Koch Institute (RKI) or via www.impfung-leipzig.de.

You can also get both documents from our mobile vaccination teams at the centres.

Which vaccines are administered?

Vaccination is carried out using the approved mRNA vaccine "Comirnaty" from BioNTech/Pfizer and the approved vector vaccine "COVID-19 Vaccine Janssen" from Johnson & Johnson.

Further information on the vaccines can be found in the information leaflets supplied by the RKI. Trained medical professionals and on-site physicians will take the time to provide comprehensive information and answer your questions about Covid vaccinations.
